(b)(6),(b)(7)(C)

The U.S. Department of Homeland Security has administratively settled the above-captioned matter pursuant to its authority under 19 U.S.C. § 1617 and will not be taking any further forfeiture or enforcement action. As such, the domain name (Torrent-Finder.com) should be returned to the owner/claimant from whom it was seized in care of (b)(6),(b)(7)(C) current counsel for the owner/claimant.

Associate General Counsel (b)(6),(b)(7)(C) for GoDaddy has advised that if it is notified by VeriSign that the lock of the domain name has been removed, GoDaddy.com will make reasonable efforts to update the registration record so that the domain name will remain in the underlying registrant/owner/claimant's account.

Accordingly, the U.S. Department of Homeland Security hereby requests that VeriSign release the lock on the Torrent-Finder.com domain name.
